A comic book style illustration of a group of diverse people sitting around a large wooden table in a dimly lit room. The room's walls are decorated with various framed portraits and posters. On the table, there are several comic books, including one that is open in the center, and some glasses. The overall atmosphere is one of a creative meeting or a comic book club. Overlaid on the image are several text elements: a speech bubble with the word 'WHY?', a large stylized title 'COMIC CHAIN' with a chain link, and three green-headed text blocks describing the value proposition of the project.

WHY?
